## Rome, Italy

Rome, Italy

The most historic city that has molded so much of today's western world culture, tradition and language: find this unmatched concentration of history in a city populated with modern Romans that live and work with their unequivocally Roman style.

## Ambra Palace Hotel Epoque Classic Superior

This new hotel is the result of a complete renovation and redesign of a building that was originally built in 1850. The Ambra is able to offer the very best of old world charm and the most modern technology and amenities. The hotel offers an American bar where guests may relax and enjoy their favourite drink, as well as light meals. 24-hour room service is available and a complimentary, rich breakfast buffet is provided each morning. All of the Ambra's guest rooms are decorated in classical style featuring the most up to date amenities and appointments.

Location: situated near the Piazza Vittorio Emanuele, the Colosseum and the Basilica of Santa Maria Maggiore.
