

## London, United Kingdom

Where the contemporary and the nostalgic come together side by side and sometimes blending in with each other; grown from Centuries of leadership, London has collected and amalgamated the best of all worlds - people and things. A great metropolis yet each borough has a homely and distinct feeling.

### base2stay **Avantgarde Superior**

In a wonderfully central location next to a quiet garden square in Kensington this exciting new hotel concept concentrates on providing guests with stylish contemporary air-conditioned rooms, the latest in-room technology and kitchenettes. Converted from a white stucco townhouse the hotel has a variety of rooms; those with a terrace, interconnecting for families or spacious deluxe rooms with high sash windows. Around the hotel there are plenty of restaurants, shops and services for guests to use and has superb access to transport links across London.

Location: Kensington, between Gloucester Road and Earls Court. Close by you will find the Natural History & Science Museums, Hyde Park, Kensington Palace and Knightsbridge. The theatres of the West End are just a short trip away.
