Hollmann Beletage *Avantgarde Superior*

Embedded in an ancient past you are surrounded with modern convenience and elegance. Should you wish to stay somewhere more central then you will have to sleep in St. Stephen's Cathedral. At the stunning Hollmann Beletage, owner Robert Hollmann, actor and trained chef, spoils his guests with attentive service, special dishes, original art, and a shiny parlor piano.

Location: located in the heart of historic central Vienna – 3minutes walking distance to St. Stephen's Cathedral, 12 minutes to the Opera and 2 minutes to the subway.
