Las Alamandas Hotel

Epoque Classic Luxury

Las Alamandas is a tranquil, palm-strewn, small resort on Mexico's Pacific Coast. Isabel Goldsmith, the owner, created this luxury hideaway as a romantic retreat, which has been lauded in numerous magazines and is a hit with privacy-seeking glitterati. With only 14 suites, the setting is extremely intimate, there's no town or other resort within sight. Each of the rooms was painstakingly designed while remaining true to the Mexican tradition through the use of folk art and local artifacts. Guests spend their days swimming in the pool or at the beach, mountain biking or horseback riding on the sand.

Location: On the Pacific Coast, one hour and 45 minutes drive South of Puerto Vallarta.
