Ripa Hotel *Avantgarde Superior*

Since its conception the Ripa Hotel has strived to stand apart from the status quo of Roman hotels. The hotel has always chosen to make a cultural and artistic statement daring to use a modern minimalist style in a classical city. Breathtaking in its simplicity, the hotel provides an atmosphere of functional luxury in the suggestive and picturesque Trastevere district. The Ripa Hotel houses the Ripa Suite night club, a favorite hot spot of the Roman jet set.

Location: In the historical Trastevere district, just minutes away from the Vatican, the banks of the river Tiber and all of Rome's historical landmarks.
